## STATEMENT OF OBJECTS AND REASONS

The Beedi and Cigar Workers (Conditions of Employment) Act, 1966 has been enacted to provide for the welfare of the beedi and cigar workers and to regulate their conditions of employment, etc. The implementing agencies have experienced some administrative and practical difficulties in effectively implementing the provisions of the Act. With a view to overcoming these difficulties, it is proposed to amend the Act.

2. The Bill, *inter alia*, seeks to make the following amendments in the Act, namely:—

- (i) to extend the coverage of the Act to the employees working in godowns and warehouses and also those who are working with the permission of or under agreement with both the employer and the contractor;
- (ii) to make the provision regarding calculation of overtime wages of the workers employed on piece-rate basis more clear and unambiguous;
- (iii) to confer on the appellate authority the powers of civil court for the purposes of compelling attendance of witnesses and compulsory production of records;
- (iv) to make the penal provisions more stringent; and
- (v) to empower the State Government to prescribe the time limit within which a dispute between an employer and employee relating to the issue of raw materials by the employer to the employee, payment of wages for the beedi and cigar or both rejected by the employer, etc., shall be referred for settlement.

3. India has ratified the Labour Inspection Convention No. 81 of the I.L.O. Accordingly, the Bill also seeks to introduce a provision that Labour Inspectors shall treat as absolutely confidential the source of any complaint regarding the breach of any provision of the Act.

4. The Bill seeks to achieve the above objects.
